

The background of the image features a row of classical, fluted columns in a light tan or beige color, receding into the distance. The columns are set on a stone base. The lighting is soft, highlighting the texture of the stone and the fluting of the columns.

# WHAT WE BELIEVE

Article X:  
The Freeness of Salvation

**We believe that  
salvation is free to all  
through Jesus Christ.**

**We believe that it  
is the duty of all to  
accept Jesus as Savior.**

**We believe that  
repentance and faith  
are necessary  
to be saved.**

**We believe nothing prevents salvation, but our own depravity and voluntary rejection of the gospel.**

**We believe that all  
who reject salvation  
will suffer eternal  
damnation in  
the lake of fire.**
